UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF NEW YORK

SHIRLEY T. BURTON, on behalf of plaintiff and the class defined herein, Plaintiffs, vs. NATIONS RECOVERY CENTER, INC.; ATLANTIC CREDIT & FINANCE SPECIAL FINANCE UNIT III, LLC, Defendants.	CASE NO.: 1:13-cv-1426-BMC **DECLARATION OF WILLIAM F. HORN IN SUPPORT OF UNOPPOSED MOTION FOR FINAL APPROVAL OF CLASS SETTLEMENT AGREEMENT AND RELEASE**

I, William F. Horn, of full age, hereby certify as follows:

1. I am an attorney at law of the State of New York and the Bar of this Court. I have been retained to serve as co-counsel for Plaintiff, Shirley T. Burton, and I was previously certified by this Court to serve as Class Counsel in the above-entitled action. As such, I am familiar with all of the facts set forth herein and state them to be true. I submit this Declaration in support of the Plaintiff's Unopposed Motion for Final Approval of Class Settlement Agreement and Release.

2. I have been admitted to practice law in the State of New York since 1995 and have remained a member in good standing since that time. I am also admitted to practice law before the United States District Courts for the Eastern District of New York and for the Southern District of New York since 1997, and the United States District Courts for the Northern District of New York and Western District of New York since 2010. I am also admitted to practice before the bar of the Eastern District of Michigan, the Northern District of Illinois and the Northern District of Florida. Further, I am admitted to practice before the United States. Court of Appeals for the Second Circuit.

3. My license to practice law has never been suspended or revoked by the State of New York or any court. There are no disciplinary proceedings pending against me in any jurisdiction and no discipline or sanctions have previously been imposed on me in any jurisdiction.

4. I received my bachelor's degree from the University of Pennsylvania in 1983 and graduated from Brooklyn Law School in 1994. I also hold a Master of Science degree in Real Estate Development, which I earned from New York University in 1994.

5. Prior to attending law school, I worked in the finance and real estate sectors. From 1989 to 1991, I worked for Baring Institutional Realty Advisors, Inc. where I performed lease analyses and prepared cash-flow projections for businesses. From 1984 to 1987, I worked for both Bear Stearns and Company, Inc., as a credit analyst determining the financial creditworthiness of major financial institutions and for Manufacturers Hanover Trust Company as an international banking officer.

6. Just following and prior to my graduation from law school and admission to the New York bar, I worked as a legal consultant and contract attorney for several large multinational law firms and corporations. Furthermore, from 2004 to 2009, I practiced law at Skadden, Arps, Slate, Meagher & Flom, LLP in both its Real Estate and Litigation departments, where I performed all activities relating to large real estate transactions and trial preparation in multi-million dollar class-action lawsuits. From 2000 to 2004, I worked as a contract attorney for, among others, Citibank, Schulte, Roth & Zabel, LLP and Solomon Zauderer, Ellenhorn, Frischer & Sharp, where I advised their respective Securities, Corporate and Securities Litigation groups concerning international securities issues and trial strategy. From 1998 to 2000, I served as a corporate associate at Simpson, Thacher & Bartlett, LLP where I practiced securities law. From 1995 to 1998, I was engaged as a solo practitioner and consultant handling a variety of real

estate litigation matters as well as practicing before the U.S. Bankruptcy Court and the U.S. Immigration Court.

7. In connection with my foregoing professional and legal work experience, I have worked on a variety of complex commercial and consumer matters. Since leaving Skadden Arps in 2009, I have been engaged as a solo practitioner and have a growing practice representing consumers on claims under the Fair Debt Collection Practices Act, 15 U.S.C. §§1692, *et seq.* I am now, and have been involved in actions brought solely as individual claims as well as class actions. My cases have been filed in the Eastern District of New York, Western District of New York, Northern District of New York, Southern District of New York, District of New Jersey, District of Pennsylvania, Northern District of Illinois, the Southern and Central Districts of California, the District of Kansas, the Southern District of Florida, the Northern District of Florida, the Northern District of Alabama and the Eastern District of North Carolina.

8. I have been certified to act as class counsel in the following consumer class action lawsuits:

9. Attached hereto as ***Exhibit 1*** is the Affidavit of Bailey Hughes, who is a Case Manager for First Class, Inc., the Settlement Administrator hired by the Parties to serve the

notice to class members and administrate the class settlement as set forth in the Parties' class settlement agreement ("Agreement"). The following relevant facts are set forth in Ms. Hughes's Affidavit:

(a) On December 11, 2013, notice of the settlement of this action was mailed to 334 Settlement Class members by the Settlement Administrator, First Class, Inc., via First Class U.S. Mail, postage prepaid, with Forwarding Service Requested. [Exh. 1, ¶¶12-15]

(b) As of February 6, 2014, a total of 25 notices were returned by the United States Postal Service as undeliverable with no forwarding address or further information; there were also a total of 3 notices returned by the United States Postal Service, which were successfully re-mailed. [Exh. 1, ¶¶16-17].

(c) As of February 6, 2014, a total of 23 valid claim forms have been received which were postmarked on or before the court-ordered cutoff date of January 27, 2014. [Exh. 1, ¶20].

(d) In total, 309 Settlement Class members (92.5%) received notice of the class settlement. The Court is further advised that First Class, Inc. did not receive any objections or opt-out requests. [Exh. 1, ¶¶18-19].

10. Attached as ***Exhibit 2*** is a list of the 25 Settlement Class members whose notice was returned to First Class, Inc. without a forwarding address, and who, therefore, did not receive notice of the class settlement. It is my opinion, that these Settlement Class members should automatically be excluded from the settlement as they did not receive notice.

11. In the notice sent to Settlement Class Members they were advised that they had the right to opt-out, or object to, the settlement provided that they put their request in writing to Class Counsel, Defendants' counsel, and the Court. As of this date, my office has not received any requests for exclusion from, or objections to, the settlement.

12. Fed. R. Civ. P. 23(h) provides, in part, "the court may award reasonable attorney's fees and nontaxable costs that are authorized by law or by the parties' agreement." I submit that such fees and costs are authorized by both law and the Parties' agreement. See, 15

U.S.C. § 1682k(a)(3). Indeed, after months of continuous negotiation, the Parties finally reached an agreement in mediation that took place for 8 hours over several days, whereby Defendant would pay Class Counsel $37,500.00 for their reasonable fees and their costs incurred in the Action.

13. To date, my office has expended a total of 134.85 hours of total time. Moreover, based on my past experience, I expect my office will expend an additional 15 hours of time in concluding the case (e.g., hearings, filings, class member inquiries, disbursements, and *cy pres* administration). My office has also incurred $2,3,29.55 in costs (e.g., filing, service, and courier). Thus, based on my hourly rates and expenses, my law firm's fees and costs total $44,765.80 and when combined with my co-counsel's combined office billings of $20,510.40, it reflects a total of $65,276.20. Notwithstanding this, the Parties' Agreement caps all fees at $37,500.00.

14. Attached hereto as ***Exhibit 3*** is a copy of my law firm's billing invoice, which sets for all fees and costs incurred by my law firm, and which I have redacted only to remove references to information that is protected from disclosure by the attorney-client privilege and work product doctrine.

15. The majority of my law practice is contingent fee litigation on behalf of plaintiffs. I regularly represent plaintiffs in contingent fee cases in Federal Courts throughout the State of New York as well as various other District Courts located throughout the United States of America. I frequently work with other plaintiff's lawyers who handle cases on a contingent fee basis and, in that regard, I am generally familiar with the range of contingent fee percentages charged by plaintiff's lawyers.

16. The normal hourly billing rates in my law firm are as follows: $125.00 for paralegals; $175.00 for law clerks; and $450.00 for me. At the outset of my law firm's entrance

into this case, my law clerk, Andrew T. Thomasson, was a law school graduate who had successfully passed the New Jersey bar exam and was awaiting admission. On October 22, 2013, Mr. Thomasson was admitted to the New Jersey bar, at which time he became *Of Counsel* to my law firm. Despite Mr. Thomasson's admission to practice, he did not appear in the case as his doing so would have only served to increase fees and costs which is something we wanted to avoid. I believe Mr. Thomasson made substantial behind the scenes contributions to this case's success and, therefore, I believe his hourly rate of $175.00 – both as a law clerk awaiting admission and later as a licensed attorney – is fair and reasonable. Indeed, I submit that all of the hourly rates sought by my law firm are fair and reasonable and are consistent with the rates in the Eastern District of New York (where my practice is located) based on each timekeeper's knowledge and experience and in light of the risks inherent in bringing and prosecuting cases such as this one.

17. The hourly rates set forth above for Mr. Thomasson and me are the same as the regular current rates I charge for services in other contingent matters in class action litigation and is also consistent with fees charged to my firm's hourly paying clients. I adjust my law firm's hourly rates annually to account for inflation and increasing experience and they are consistent with the rates charged by attorneys of comparable experience and expertise in the Eastern District of New York for class action litigation.

18. The hourly rates for my law firm includes many factors beyond personal compensation, including non-billed office personnel, equipment, insurance, research materials, office supplies, other overhead expenses, and forbearance of other cases. Consumer litigation inevitably involves suing large corporations, which have the capacity to bring enormous resources to bear that individual consumers are unable to meet on their own. The class's attorneys in this case have worked for approximately a year without compensation. If plaintiff's

attorneys are not compensated at a rate that allows them to maintain the technological-as well as intellectual and professional resources-to match corporate defendants' resources, consumers will not be able to find qualified counsel to represent them. Few attorneys have the means and ability to take these cases, and if those that do so are not compensated at a rate which allows them the chance of prevailing on behalf of consumers, these cases will not be brought; and the remedial purpose of this legislation will fail.

19. The average consumer does not have funds to litigate this type of case. Therefore, in further justification of our fees, I note that we take all such cases on a contingency fee basis, advance all litigation costs, and do not charge the consumer anything up front. If the case is lost, we do not get paid.

In accordance with 28 U.S.C. §1746, I certify under penalty of perjury under the laws of the United States of America that the foregoing is true and correct. Executed on this 11th day of February 2014, at Fresh Meadows, New York.

SHIRLEY T. BURTON, on behalf of plaintiff and the class defined herein, Plaintiffs, vs. NATIONS RECOVERY CENTER, INC.; ATLANTIC CREDIT & FINANCE SPECIAL FINANCE UNIT III, LLC Defendants.	CASE NO.: 1:13-cv-1426-BMC **NOTICE OF CLASS ACTION SETTLEMENT**

AFFIDAVIT OF BAILEY HUGHES

STATE OF ILLINOIS, COUNTY OF COOK

I, Bailey Hughes, under penalty of perjury affirm that the following statements are true:

1. I am a Case Manager for First Class, Inc. and have personal knowledge of this matter.
2. First Class, Inc., a Class Action Administration Service, was retained to send the notices to the class members for this case.
3. The class list was received from the Law Office of William F. Horn, and contained 336 records.
4. Prior to mailing the notice to the individuals on the class mailing list, First Class, Inc. followed its standard practice of processing the list through the Coding Accuracy Support System (CASS) and the NCOA (National Change of Address) update process of the U.S. Postal Service using software certified by the U.S. Postal Service. CASS allows First Class, Inc. to verify the address is correctly formatted for delivery and it also corrects zip codes. NCOA Move Update provides current address information, if available, and information regarding deliverability.
5. Prior to mailing the notice to individuals on the class mailing list, First Class, Inc. followed its standard practice of checking for and removing exact duplicate records within the class list, and in this case, 4 exact duplicates were found.

6. The notices were mailed on October 10, 2013 to 332 class members.

7. Since the date of mailing, Plaintiff's Counsel has been diligent in following up with First Class, Inc. to make sure all administrative duties were being performed.

8. Late in the afternoon on December 5, 2013, it was discovered by First Class, Inc. that the original class mailing list received from Plaintiff's Counsel had inadvertently been overwritten with a class mailing list of the same size from another, unrelated case. As a result, 332 class members from another, unrelated case received a copy of this class notice, and none of the individuals from the correct class list received the notice.

9. First Class, Inc. informed Class Counsel of the issue late in the afternoon on December 5, 2013, and was informed that Class Counsel would seek direction from the Court as to how to proceed.

10. Per the Amended Preliminary Order of Class Settlement Agreement filed on December 6, 2013, First Class, Inc. was instructed to mail the notice to the correct list of class members.

11. On December 11, 2013, First Class, Inc. sent a follow up letter to the 40 individuals from the unrelated case who were sent this notice and returned a claim form, informing them that they were sent the notice in error, and are therefore not eligible to opt-in to this class.

12. Prior to mailing the notice to the individuals on the correct class mailing list, First Class, Inc. followed its standard practice of processing the list through the Coding Accuracy Support System (CASS) and the NCOA (National Change of Address) update process of the U.S. Postal Service using software certified by the U.S. Postal Service. CASS allows First Class, Inc. to verify the address is correctly formatted for delivery and it also corrects zip codes. NCOA Move Update provides current address information, if available, and information regarding deliverability.

13. Prior to mailing the notice to individuals on the correct class mailing list, First Class, Inc. followed its standard practice of checking for and removing exact duplicate records within the class list, and in this case, 2 exact duplicates were found.

14. The notices were mailed on December 11, 2013 to 334 class members from the correct class mailing list.

15. The notices were mailed via First Class mail, postage prepaid, with Forwarding Service Requested.

16. As of February 6, 2014, a total of 25 notices were returned as undeliverable with no forwarding address or further information provided by the U.S. Postal Service.

17. As of February 6, 2014, a total of 3 notices were returned by the U.S. Postal Service with a new address and remailed.

18. As of February 6, 2014, no objections have been received by First Class, Inc.

19. As of February 6, 2014, no requests for exclusion have been received by First Class, Inc.

20. As of February 6, 2014, 23 valid claim forms have been received which were postmarked on or before the cutoff date of January 27, 2014.

FURTHER AFFIANT SAYETH NOT.
